Peruvian Chairlift

When operating, the Peruvian chairlift may be used instead of the Tram for a ride up, down or in both directions. Tram tickets are valid on Peruvian Chairlift. From the Tram, a short, easy hike takes guests to the top of Peruvian Chairlift and access to the Wasatch Mining History Tunnel. Peruvian Chairlift operates approximately mid-July through mid-September, depending on snowpack and weather conditions. Please visit snowbird.com for operation status.

The Summit

At the top of the tram, 11,000 feet of elevation, is The Summit. Please visit snowbird.com for more information.
